GUARANTEE

Witon Chemicals offers a 10 year guarantee on certain products.. To register your guarantee, call the Witon Chemicals offices on 031 7198840 within 30 days of purchase, and supply your contact details, the site details, purchase details, batch number and related products used. You will receive a guarantee reference number that you will need to record and keep with purchase slip for future reference. For terms and conditions please visit www.samsonpaints.co.za

Technical details above are provided in good faith. We are an ISO 9001: 2008 registered company and our products are manufactured to the highest standards using raw materials of superior quality. Consequently we believe in the quality of our products and will willingly replace any product in the unlikely event of a quality related performance failure. Whilst we are confident in guaranteeing the quality of our products, we cannot however accept any liability for performance failure due to the incorrect application of our products. Correct application is critical to the successful performance of our products and as this process falls outside of our control we are unable to cover the application under our product performance warranty. Where there are doubts, it is recommended that the user conduct their own suitability tests before use.
